MESSAGE FROM THE CHAIRMAN

Dear Shareholders,

With the growth in domestic and export markets, India's pharma industry is set to rise by 9-11 per cent over the previous fiscal and it is likely to touch \$41.9 billion in FY20. While on the domestic front, the industry is expected to grow at around 12 per cent and reach \$20.4-\$20.8 billion during FY20, exports are likely to touch \$21.1 billion in this fiscal with a growth rate of 8 to 10 per cent, according to a study by Care Ratings. Moreover, the need for affordable healthcare in pharmemerging and developed nations are likely to support exports of branded generics to these countries. Also, rising per capita incomes in pharmemerging nations will contribute to the rise in branded generics exports from India.

We at Ind-Swift, are aware of the opportunities available in the pharma market both domestic and export. We are making all efforts to explore the options available. In export markets all out efforts are being made to increase our presence globally. Our efforts on the Exports front are showing good results and revenue from Exports gradually increased during the year by 27.21%.

MESSAGE FROM MANAGING DIRECTOR & CEO

Dear Stakeholders,

The Indian pharmaceutical industry is the world's third largest of drugs by volume. The Industry's journey to annual revenues of about USD 38 billion today can be attributed to world-class capabilities in formulation development, the entrepreneurial ability of the firms and the vision of the industry to establish India's footprint in large international markets such as the United States. The industry has played a key role in driving better health outcomes across the world through its affordable and high-quality generics drugs. Increased accessibility to affordable drugs has been one of the key enablers for lowering the disease burden in India.

Over the past few years the pace of progress of our international business has accelerated. With stable tie-ups in the key export markets, international formulations business has been on an upward growth. We clocked an exports turnover of Rs. 201.01 crores against the turnover of Rs. 158.01 crores during the FY 2017-18. Our Global Business Unit (ISL-GBU), commissioned in 2006, caters exclusively to the demand of the international markets for finished dosage forms. Products from GBU are now available in many countries of EU, Australia, Canada, Central & Latin America, Asia, CIS and Africa-including South Africa.

ISL-GBU is approved by MHRA, TGA, Health Canada, MCC, MOH-UAE, FDA-Taiwan, PHP-Philippines, TFDA-Tanzania, FMHACA-Ethiopia, PPB-Kenya, NDA-Uganda, MCAZ Zimbabwe, Ukraine-GMP, WHO-GMP for tablets, hard gelatin capsules and dry powder-sachet. ISL-GBU is one of the few facilities that can provide specific environmental conditions for highly sensitive products.

Our focus for the prospective years is on both the developed markets (European Union, Australia, Canada, Brazil, South Africa) & developing markets (Africa, South East Asia, Latin America, & the CIS countries).

Presently Gynae and Pediatric segments are the strengths of the Company. In the coming years, more concentration on Gastroenterology along with Diabetology & Cardiology segment. We are planning to give 4-5 new products in these segments, which will lead to jump in EBITDA margins.

Because of the financial constraints, we could not focus specifically on spending exclusively on the Research and

Managing Director & CEO

Development front. But now we have started focusing on the same. In the coming years, this will definitely result in launching of at least 2 molecules in Gastro and anthology segments, which will be almost monopolistic and will strengthen these segments.

We are consolidating domestic business. Our Marketing Divisions viz. Gyno, Megaswift, Qden, Healthcare, Nova are performing well despite the material and finance constraints. During financial year 2018-19, your company achieved a turnover of Rs. 296.22 crores as against the turnover of Rs. 280.73 crores during financial year 2017-18.

Company achieved a net profit of Rs. 3.12 crores during 2018-19 against loss of Rs. 54.11 crores in 2017-18. The profit during the year is mainly attributable to the one time settlement with the Phoenix ARC. Majority of the Banks have assigned their debts to ARCs which is over 90% plus of the total secured debts.

For the coming years, we are hopeful to have a good EBITDA margins with continuous support and guidance of all the stakeholders of the Company.

I am highly thankful to all of you for keeping faith in the management & backing us at every stage and seek your continuous support & guidance in our endeavour.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

GLOBAL PHARMACEUTICAL INDUSTRY STRUCTURE AND DEVELOPMENTS:

Access to affordable and diverse healthcare solutions, affordable price point, and technology-enabled treatment mechanisms are driving the spending growth across the globe. The global medicine spending is expected to reach nearly USD 1.5 trillion by 2022, representing 5% CAGR over the next five years. Increased spending in Oncology, Auto-immune and Diabetology treatments is expected to drive a large part of the spending growth.

Generics pharmaceutical manufacturers are playing an increasingly important role across the world in driving access and affordability of drugs. Over the years, generic pharmaceutical players have helped economies and patients save billions of dollars in healthcare spending and have facilitated the world population become healthier. The global regulatory framework has been evolving rapidly with interventions across multiple fronts. Pharmaceutical markets across the US, India and other geographies are experiencing various new and proposed regulatory interventions requiring pharmaceutical companies to innovate and reinvent their business, operational, marketing and product development strategies. Companies across the globe are investing towards their portfolio offerings and expanding their value chains with a focus on complex and difficult-to-develop products, creating manufacturing differentiators, investing in innovative technology platforms and deepening their presence in focused markets.

RISKS AND CONCERN

Indian pharmaceuticals industry is globally respected and is one of the most successful industries in India. It has contributed immensely to India's healthcare outcomes and economy. World class capabilities and favourable market conditions over the last many years have ensured that India continues to be one of the most lucrative pharma markets in the world.

In the last couple of years, the industry has faced several challenges which have impacted our growth trajectory. Globally, several factors have had a severe impact on exports business. These include higher level of customer consolidation, increased competition & number of products approvals, decreased value from new product launches and increased pricing control & protectionism. Even at home, growth in domestic market has slowed down. Even as we emerged from the transient impact of demonetization, we have continued to face disruptions from evolving regulatory landscapes, alternate means of engaging with doctors &

patients, and shift in balance of power towards pharmacists. Our strong position as a global supplier of high quality, affordable and accessible medicines has also been impacted due to recent compliance challenges and low productivities.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

During the year, in an ongoing appeal before the VAT Tribunal, Chandigarh, the company filed a copy of the assessment order for the year 2011-12 and prayed for the proceedings to be declared infructuous in light of the fact the assessment having already been done. Somehow, the Excise & Taxation Department, U.T., Chandigarh alleged that the order so produced was fake and hence they ordered for fresh assessment and also an FIR was registered against unnamed private companies/private persons and officials of Excise & Taxation Department, U.T., Chandigarh.

For investigation purposes, one of the Non-executive Director of the Company viz. Sh. N.R. Munjal was detained by the investigating agencies for some days and later released on bail and the matter is subjudice.

In the assessment proceedings, while denying Input Tax Credit (ITC) to the company in respect of its purchases, a demand of Rs. 66.34 crore on account of VAT and CST (VAT Rs. 14.33 Cr., penalty Rs. 31.61 Cr. and Interest Rs. 20.23 Cr. PLUS CST Rs. 0.24 Cr.) was raised by the Department. However, the Company has filed appeal against the said order which is now pending before the VAT Tribunal. A pre-deposit of Rs. 16.65 cr. as required under Section 62(5) of

DIRECTORS' REPORT

the Punjab VAT Act has been deposited by the company.

The whole case revolves around the disallowance of ITC alleging only reason that the department has verified the returns of the supplier dealers of the company and have found that none of them had paid tax. Interestingly, the supplier dealers' returns have been assessed by the Department wherein the department accepted the transactions of sale and purchase of the selling dealers as genuine and did not find any illegality/wrong, in their claim of ITC or payment of tax, which was fully allowed (having been all duly paid/discharged) for the year 2011-12. So much so, the assessment of the buyer dealer of the company i.e. to whom the company had sold the goods, has also been done by the same department and there also, their ITC has been duly allowed. Only the company has been chosen to be denied the benefit of ITC.

Though this stand of the department is also contrary to the well laid down provisions of Punjab VAT Act / Rules and also umpteen judgments of the Hon'ble Apex Court and Hon'ble High Courts wherein it has been clearly laid down that liability on sales is to be discharged by seller and even for any fault on the part of seller; the purchaser cannot be denied ITC. Moreover, in present case, the department framed assessment of both the Seller to the Company & Purchaser from Ind Swift Limited, without any demand/wrong alleged therein. Under these facts & circumstances, inter alia, the company claims on being on the right side of law.

In respect of the same dispute but on different law points, the matter is also pending before the Hon'ble Supreme Court and Hon'ble High Court of Punjab & Haryana at Chandigarh.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

To
The Members of
Ind Swift Limited
Chandigarh

Opinion

We have audited the accompanying financial statements of IND-SWIFT LIMITED ("the Company"), which comprises the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), Statement for Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects matter described in the Basis for the Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profits, changes in equity and its cash flows for the year ended on that date.

Basis for the Qualified Opinion

1. *Pending finalisation of Settlement agreement with Edelweiss ARC, the company has not provided the interest on the outstanding assigned debt to Edelweiss. The impact of the same on the books of accounts is not ascertained. (Refer Note No. 35(i) of Notes to Accounts)*
2. *The company has not provided interest on term loans and funded interest term loans with some banks since these banks have not charged interest on these accounts post such accounts becoming NPAs. The unaccounted interest liability in respect of the same for the financial year 2018-19 is Rs.10.36 Cr. (Refer Note No.35 (ii) of Notes to Accounts)*

Had the provision for the same been made, the profits for the year and accumulated losses would have been reduced and increased respectively by Rs. 10.36cr.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis of Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Key Audit Matters	How our audit assessed Key audit matters
<p>Revenue Recognition</p> <p>For the year ended March 31, 2019 the Company has recognized revenue from contracts with customers amounting to 289.03 Crores. Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer. The variety of terms that define when control are transferred to the customer, as well as the high value of the transactions, give rise to the risk that revenue is not recognized in the correct period. Revenue is measured net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual. Revenue is also an important element of how the Company measures its performance. The Company focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred. Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the Ind AS financial statements. (Refer Notes on accounts No. 18)</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'. Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms. To test cut off selected sample of sales transactions made pre- and post-year end, agreeing the period of revenue recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods. Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents. Obtained confirmations from customers on sample basis to support existence assertion of trade receivables and assessed the relevant disclosures made in the financial statements; to ensure revenue from contracts with customers are in accordance with the requirements of relevant accounting standards
<p>Impairment of Assets</p> <p>Property, plant and equipment includes assets that are related to the Unit I, and II at Parwanoo. The operations at both the units were suspended since March 2014, as a result the management has performed an impairment assessment as per the accounting policy stated in note A.15 to the Ind AS financial statements. Accordingly, during the year Impairment loss with respect to Unit II has been provided and in respect to Unit I management is of the view that no impairment is required as on date. Our audit focused on this area because the assessment of recoverable value of the aforesaid assets of Unit I & unit II requires management to make a number of key judgements and estimates with respect to the future performance and profitability of the both units which involves judgements and estimates on future cash flows. Accordingly, Impairment assessment of the Company's Unit I & Unit II has been considered as a key audit matter.</p> <p>Refer Notes to accounts No. 42 to the Financial statements</p>	<ul style="list-style-type: none"> We assessed the management's controls over the assessment of the carrying value of Unit I & Unit II property, plant and equipment to determine whether any asset impairment was required. We assessed the Company's valuation methodology applied in estimating the recoverable amount of the Company's both units. We tested the assumptions around the key drivers of the cash flow forecasts, i.e. future growth rates, discount rates used. Performed sensitivity analysis around the key assumptions used by management in impairment testing to understand the impact of reasonable changes in assumptions on the estimated recoverable amounts. Assessed the disclosures included in the financial statements in note 42 to the Ind AS financial statements.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal Control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the

audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

"Annexure B" to the Independent Auditor's Report of even date on the Financial Statements of Ind-Swift Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of
Ind-Swift Limited

We have audited the internal financial controls over financial reporting of Ind-Swift Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting reference to these Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

A - SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation of Financial Statements

These financial statements have been prepared to comply with the Indian Accounting Standards (Ind AS). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016.

The Financial Statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees rounded off to the nearest rupees in lacs.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3. Property, Plant & Equipment

(a) Freehold land is carried at cost. All others items of Property, Plant and equipment have been stated at cost less accumulated depreciation and impairment loss if any. Cost of assets not ready for intended use before the year end, are shown as capital –work-in- progress.

(b) The Company is following the useful life method of depreciation as per the useful life specified in part C of Schedule II of the Companies Act 2013.

On assets sold, discarded etc, during the year depreciation is provided up to the date of sale/discard.

(c) Premium on Lease hold land is amortized over the period of Lease.

(b) Expenditure on Research phase is recognised as an expense when it is incurred.

(c) Expenditure on product development phase is recognised as an Intangible Asset, These assets are amortized over the useful period of life starting from the year when the asset first meets the following recognition criteria:

- The intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical , financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

SIGNIFICANT ACCOUNTING POLICIES
